

哈爾濱工業大學  
HARBIN INSTITUTE OF TECHNOLOGY

CHINA DISCOVERY  
ONLINE INTERNATIONAL  
SUMMER SCHOOL

July 05<sup>th</sup> ~ July 30<sup>th</sup>, 2021

## Brief Introduction

Harbin Institute of Technology (HIT) was established in 1920 in Harbin, Heilongjiang, China. In 1954, HIT became one of China's first six leading universities. Presently HIT is a member of China's top nine University Union (C9). It is a National Key University with science and engineering as its core and has developed to include management, liberal arts, economy, law and other disciplines. In the US News ranking for the Best Global Universities for Engineering, HIT ranked No.2 in China and No.4 globally.

## Program Highlights

- Online program. A good chance to understand China from home.
- Excellent Faculties. Brilliant faculty members, international experts, and famous enterprise CEOs will offer the courses.
- Program certificate and official transcript. Students will get the certificate and transcript upon completion of the program.

## Online Courses

### - Understanding China

In this part, the basic concept of culture, communication and cross-cultural communication in the increasing internationalization of contemporary China will be introduced.

### - China's Economic Development

China is the second largest economy and the only country with positive economic growth during pandemic. What are the opportunities and challenges for China's economic development? Welcome to join our program to get a new understanding from our series courses.

### - Introduction to the Development of Science and Technology in China

China has made great progress in its Science and Technology, including aerospace, robotics, and bioengineering etc. From series courses, students will acquire the updated knowledge of the development of science and technology in China.

### - Chinese Language and Online Activities

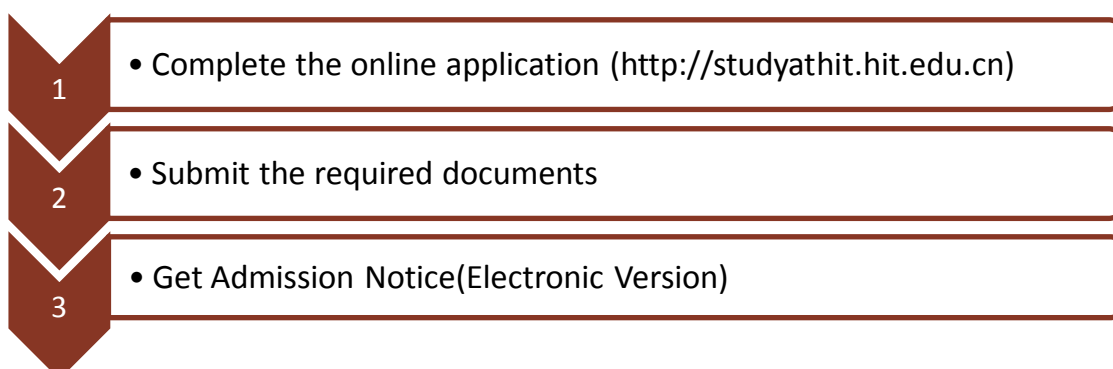

Besides regular Chinese language teaching, we also offer online Chinese cultural activities, including Ecological education, and manual courses etc.
